BEAUTIFUL TO LOOK AT AND BUILT TO LAST

Our range of outdoor products are made with recycled materials which have many advantages over traditional materials, such as:

**Strength and durability • Rot proof • Very low maintenance required • UV resistant
Impervious to fungal and insect attack • Splinter free • Available in a variety of colours**

Sweepwise Seating & Tables

These robust tables and bench seating can be bolted into situ or left free standing. The frames are made from heavy duty powder coated metal, finished in black with recycled plastic seating. All are almost maintenance free and will not rot whatever the location which makes them ideal in either sheltered or exposed areas

Royal Steel Frame Bench
Decorative steel frame. Luxury bench designed for parks and gardens with a highly attractive finish

New Forest Picnic Table
Powder coated steel frame. Resistant to scratching and rust Wheelchair friendly. Extremely stable.

Newark Hexagon Picnic Table
Powder coated steel frame. Resistant to scratching and rust Wheelchair friendly. Extremely stable. Weight approx 200kg.

Jesmond Park Bench - 1.5m or 1.8m
Attractive bench design. Powder coated steel legs.

Clarence Park Bench
With bench-seat on all 4 sides. Size including seats 2.2m. Weight approx 120kg.

Planters

Sweepwise planters are made using recycled plastic and galvanised metals which makes them almost maintenance free. All are manufactured and available in standard sizes or made to your specifications and size.

Roundwood Barrel Planter
Diameter 900mm, weight 48kg

Sherwood Planter
Length 1m, width 1m, depth 600mm, weight 120kg.

Walkways
Made from recycled plastic. Non slip grooved, rot free boards. Made to individual requirements

RECYCLED PRODUCTS: Recycled plastic can be utilised in all sorts of applications which in the past had to be built in wood which has a limited life span. Sweepwise are continuing to develop new products and applications for use. As well as helping the environment by using recycled materials, customers are now reaping all the benefits with minimal maintenance on all of our outdoor furniture.
