

CUSTOMER TESTIMONIAL

Our Fishing Club would like to record 'Thanks' to John and his hard working Team from Sweepwise Ltd, for completing the installation of Fishing Platforms using recycled plastic materials.

The Platforms, some of which are for disabled anglers, are of high quality and will be largely maintenance free for many years to come.

The project was completed well within the agreed timescale – this included not just the supply of the platforms, but also the installation around the pools.

We have no hesitation in recommending Sweepwise Ltd. for similar projects, and we look forward to being able to engage them again in the future.

Paul Harding
Secretary, Wybunbury Anglers Association
